Yolo Adult Day Health Center is a program designed to promote the independence of frail adults by providing medical, social, rehabilitative, recreational and respite assistance. In addition, caregivers receive needed support such as time off, support groups, resource information, training and counseling. Taking into consideration physical and cognitive limitations, individualized care plans are tailored to meet the needs of each participant. A well trained and caring staff in a safe and comfortable environment provides all services. Yolo Adult Day Health Center has been assisting Yolo County residents since 1984.
